## Instructions

This test measures your ability to learn new rules and procedures. Use the reference information in the table below to decide the order in which the panels must be checked.

Reference Information			Priority for checking
 Left Panel (L)	 Middle Panel (M)	 Right Panel (R)	 1 <sup>st</sup>  2 <sup>nd</sup>  3 <sup>rd</sup>
<ul style="list-style-type: none"> <li>• If the arrow is in the grey sector then this dial must be checked first</li> <li>• If the arrow is in the white sector then this dial must be checked second</li> <li>• If the arrow is in the black sector then this dial should be checked last</li> </ul>			

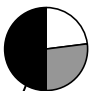

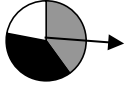

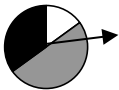

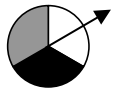

Example			Select your Answer
 L	 M	 R	A) <input type="checkbox"/> RML B) <input type="checkbox"/> LRM C) <input checked="" type="checkbox"/> MLR D) <input type="checkbox"/> RLM

### Example explanation

In the example you can see that the arrow in the middle panel is over the grey sector which must be checked first. The arrow in the left panel is over the white sector which must be checked second. The arrow in the right panel is over the black sector which must be checked third. Therefore the answer is C) MLR.

## Questions

For each question choose the correct answer from the four possible answers - A, B, C, or D.

Question				Select your Answer
1.	 L	 M	 R	A) <input type="checkbox"/> RML B) <input type="checkbox"/> LRM C) <input type="checkbox"/> MLR D) <input type="checkbox"/> RLM
2.	 L	 M	 R	A) <input type="checkbox"/> RML B) <input type="checkbox"/> LMR C) <input type="checkbox"/> MLR D) <input type="checkbox"/> RLM
3.	 L	 M	 R	A) <input type="checkbox"/> RML B) <input type="checkbox"/> LRM C) <input type="checkbox"/> MRL D) <input type="checkbox"/> RLM

## The Answers and Explanation

To score your test please look back through your answers and input them (e.g. A, B, C, or D) in the table below under the column 'My Answer'. Once you've transferred your answers into the table you can then compare them with the correct answers and explanations and score your test.

Q.	My Answer	Correct Answer	Explanation
1.		D RLM	The arrow in the right panel is over the grey sector which must be checked first. The arrow in the left panel is over the white sector which must be checked second. The arrow in the middle panel is over the black sector which must be checked third.
2.		B LMR	The arrow in the left panel is over the grey sector which must be checked first. The arrow in the middle panel is over the white sector which must be checked second. The arrow in the right panel is over the black sector which must be checked third.
3.		C MRL	The arrow in the middle panel is over the grey sector which must be checked first. The arrow in the right panel is over the white sector which must be checked second. The arrow in the left panel is over the black sector which must be checked third.

## Improving Your Chances

Research has shown that practice can help you to improve your chances of performing well on a test. To help you prepare for the test, an enhanced and more detailed practice test has been specifically prepared for you that is just like a real test.

The key benefits of purchasing the extended version of the TRP 2 Practice Test are as follows:

- The test is just like a real test which will help you practice working under time pressure;
- It provides all the answers and worked out solutions so you can see where you went wrong and help you improve;
- you will be able to compare your performance against other applicants who sat the same test under the same conditions. This will really help you understand how much you may need to improve and give you hints and tips of how to do better in the test; and,
- The test was developed by psychologists from The OPC and OPC Assessment who design real tests that are used by clients around the world.
